BOSS HEAVY DUTY RED UNIVERSAL EXTENDED LIFE PREMIUM ANTI-FREEZE

PRODUCT DESCRIPTION AND BENEFITS

- Formulated with ethylene glycol and a universal extended life inhibitor package that is SCA (Supplemental Coolant Additive) pre-charged
- Premium quality blend that meets or exceeds the latest anti-freeze performance specification for automotive gasoline engines, as well as heavy duty and light duty diesel engines
- Dyed RED for identification purposes and is available in 50/50 pre-mix, (with deionized water), or full strength concentrate formulations
- 5 year/400,000 KM cooling system protection rating, and gives excellent, long term corrosion protection of all cooling metals, including aluminum, brass, cast iron, steel, solder, and copper
- Gives improved water pump seal life, which in turn reduces water pump failures
- Provides maximum freeze-up and boil over protection
